Career Objective

Motivated **Java Full-Stack Developer** skilled in **Java, Python, Spring Boot, React.js, MySQL, and REST APIs**. Seeking to apply problem-solving and software development skills in building scalable, secure, and efficient applications while contributing to organizational growth and continuous learning.

Academics

B.Tech, Computer Science and Engineering – JNTUH CE, Rajanna Sircilla CGPA: 7.9	2021–2025
Intermediate, MPC – Prathibha Junior College, Hanumakonda Percentage: 97.2%	2019–2021
SSC – Harsha High School, Mancherla CGPA: 9.3	2018–2019

Technical Skills

- **Programming:** Java (OOP, Collections, Exception Handling), Python (basic), SQL
- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React.js
- **Backend:** Spring Boot, REST APIs, MVC Architecture
- **Database:** MySQL (DDL, DML, Joins, Functions, Subqueries)
- **Tools:** Eclipse, Spring Tool Suite, VS Code, Git, Postman
- **Other:** Debugging, Clean Code, Agile Basics

Projects

College Management System <i>Technologies: React, Java, Spring Boot, MySQL</i> GitHub Repository	2024
• Built a platform for students, faculty, and admin to manage academic data, reducing manual work by 60%. • Implemented secure authentication, profile handling, exam results, and notice board modules. • Designed and consumed REST APIs using Spring Boot and integrated with MySQL using JDBC. • Applied MVC architecture, ensuring scalability and clean separation of concerns.	
Restaurant Management System <i>Technologies: React, Spring Boot, MySQL, HTML, CSS, Bootstrap</i> GitHub Repository	2024
• Developed a responsive web app with login/logout, menu categories, cart, order history, and contact form. • Used Spring Boot to build REST APIs connected to MySQL; tested endpoints with Postman. • Integrated React.js frontend with Context API and Axios for state management and API calls. • Improved order processing efficiency by 40% through seamless backend–frontend integration.	

Certifications

- Full Stack Java – CodingHub Innovation
- SQL Fundamentals – IBM
- Java Programming – Udemy
- Python for Beginners – Simplilearn
